### **Open Spaces Feng Shui Receives 2012 Best of Brooklyn Award**

Brooklyn Award Program Honors the Achievement

BROOKLYN December 10, 2012 -- Open Spaces Feng Shui has been selected for the 2012 Best of Brooklyn Award in the Interior Designers category by the Brooklyn Award Program.

Each year, the Brooklyn Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Brooklyn area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2012 Brooklyn Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Brooklyn Award Program and data provided by third parties.
